July 24, 2016

Dear Managers and Coaches,

Congratulations on representing your district in the Georgia State Little League Baseball Tournament. We are pleased to have Peachtree City Little League as our 2016 host and trust you will enjoy your stay in Peachtree City.

The facilities at Peachtree City are excellent. The staff will take care of your needs and the concession stand offers a variety of ball park food.

Please come prepared to the Managers' Briefing Friday afternoon at 4 pm. Have all your tournament paperwork in order and your pitching affidavit from your district tournament filled in and signed. You will turn that in at the Manager's Briefing and will get it back before your first game.

We look forward to some exciting games. It is a credit to your dedication and time that you have taught your players to work together, play together and hopefully to laugh together in a relatively short span of time. However the tournament ends for your team, the memories of this experience will stay with your players for years to come.

The scoreboard will reflect scores, but ultimately only one team will become the Georgia State Champion. Our Little League State Champion will represent Georgia at the Southeast Regional Tournament in Warner Robins, beginning August 4.

Win or lose, every one of these players is a winner and a champion. These young men should come away from these games with the winning attitude that they played their best and had fun.

We look forward to working with each of you throughout the tournament. Good luck and good games!

Sincerely,

Linda North, DA GA 4
