**** celebration, inspiration, motivation ****

The Wounded Warrior Amputee Softball Team™ (WWAST) is a 501(c)(3) public charity whose mission is to inspire and educate others while enhancing the health and welfare of Wounded Warrior Amputees.

The WWAST represents some of our nation's bravest and most determined heroes, soldiers and veterans. These men have sustained severe injuries resulting in amputation, and through extensive rehabilitation, they have become competitive athletes again, playing against able-bodied teams in exhibition games across the country.

Their armor now includes prosthetic legs and arms, along with extreme perseverance and attitude. Together they are the WOUNDED WARRIOR AMPUTEE SOFTBALL TEAM.
