

Hi All!

The first of our two Willamette Country Music Festival required volunteer meetings will be on Tuesday, June 13th at 7pm in the Thurston High School Cafeteria. All players, families and interested volunteers are required to attend one of the two informational meetings. There are some VERY important volunteer changes being made this year. Also, sign ups will be done on site at the time of the volunteer meeting. There will NOT be a shared link. You MUST sign up on site at one of the two available meetings. Please come prepared with your availability in order to sign up for shifts. We will have shift openings on the following dates for morning, mid-day and evening shifts:

Wednesday, August 16th - Monday, August 21st

Please note that each player is responsible for the volunteers that sign up under their name. Each player is also responsible for fulfilling 36 hours per sport. Any volunteer who fails to show for their assigned shift or misbehaves at the festival, the player for whom they are representing will be required to reimburse for the full cost of the bracelet. Volunteers must be 14 or older (or an incoming freshman).

Make sure that you come prepared to the volunteer meeting with:

August Availability.

Active E-mail address.

Player Name for which you are representing.

Name of Sport for the above player.

If you are unable to attend the first volunteer meeting and sign up time, our second meeting will Thursday, July 13th at 7pm in the Thurston High School Cafeteria. Please share this e-mail with any of your possible volunteers!
